Report of Principal and School Improvement Council

Every day in South Carolina, there are children who are being abused, abandoned, neglected, and becoming homeless at an alarming rate. The Palmetto School at the Children's Attention Home (The Palmetto School) was established in 2004 to meet the educational needs of abused and neglected children who were placed at the Children's Attention Home in Rock Hill, South Carolina for emergency shelter by the Department of Social Services (DSS). Many of these children are absent in traditional schools because of injury, illness, or lack of parental support to get them to school on a regular basis. Because of the instructional learning deficits, children who have been removed from their homes by DSS often arrive at the The Palmetto School significantly below grade level in all academic areas. The School only has two full time teachers and two part-time teachers. The Palmetto School is an Arts in Basic Curriculum Site and a Distinguished Arts Program. Arts integration at our school helps students not only improve learning but heal from their life's trauma. The Palmetto School is relatively much smaller than most schools and has to receive 60% of its funding from grants, private donors, and fundraising events.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	67.1
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Palmetto Childrens Attention has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
